freshersvoice.com

You're an ideal candidate for this role if...

- You've done project/internships with experience in React, Node, Python, Golang, Java, etc.

- You've contributed to open-source projects and participated in competitive coding platforms like HackerEarth, Leetcode, Codeforces, SPOJ, etc.

- You have B.E/M.Tech/MCA or equivalent degree.

VELOTIO

Here's how you can apply:

VELOTIO

1 Pre-register for the interview online by scanning the QR code below. A InterviewMocha [iMocha] test will be shared with the Shortlisted folks. You'll have to attempt the test before 29th April. Those shortlisted will be invited for further rounds on 30th April.

OR

1 Alternately, you can directly walk-in to Velotio's office on 30th April [9am-6pm], register & give an iMocha test at the office premise. Registrations will strictly close by 11am. Shortlisted candidates will have to take the further rounds.

2 You will undergo 2 rounds of face-to-face interviews with Velotio's interview panel.

3 The selected candidates will receive a job offer the same day.

Note: Please bring your own laptops for the test.
